Silver Warranty

Why do you need TWM Silver Warranty (SILVER)?

It provides warranty against repair costs if your car has no more manufacturer's warranty and you are faced with repair bills when it breaks down.

How does this warranty works?

"SILVER" repairs, restores or replaces the 'parts' in the event of breakdown (as defined in the Agreement). It provides for periods of 12 months, 24 months, 36 months or 60 months. There is different mileage limits for the different periods.

What are the parts included?

1	Engine	2	Fuel Delivery System
3	Turbo Charger (Factory fitted)	4	Engine Cooling System
5	Auto & Manual Transmission	6	Torque Converter
7	Drive Shaft	8	Propeller Shaft
9	Differential	10	Brake System
11	Suspension	12	Steering
13	Air Conditioning System	14	Alternator & Electric Motor

Details of 'parts' are found in the Warranty Booklet

Duty of the Car Owner (Member)

It is a condition of this warranty that your vehicle has to be serviced and maintained according to the Maintenance Service Standards set out at any of our panel of appointed workshops.

What parts are excluded?

1. Maintenance & service items e.g. bulbs, fuses, belts, pads, linings, battery electrolyte, filters, fluid, oil, fuel, coolants, lubricants etc.
2. Maintenance services such as tune up, wheel alignment, balancing and tyre rotation, fuel & cooling system cleaning, carbon removal etc.
3. Body paint, glass, interior/exterior trim, radio, CD player, car telephone, airbag, wiper blades, seat belts & upholstery.

What are the main exclusions?

Fire, theft, accidents, Acts of God, overheating, neglect, corrosion, lack of servicing, foreign matter getting into a part. Loss of use, liability of all kinds, consequential loss of any kind.
